The IIM SKILLS Story

ABOUT US

IIM SKILLS is the world's fastest-growing ed-tech company. Headquartered in New Delhi, India; IIM SKILLS has a presence in 23 cities in Asia including Dubai & Singapore catering to Finance, Marketing, Data, Content & multiple other educational domains.

OUR HISTORY

IIM SKILLS stemmed from the foundation of a successful educational blog. After reaching 1 million people digitally for career guidance, we decided to launch our first full-fledged training program. We started with the Content Writing Master Course which transformed the entire content education industry.

OUR MISSION

Our mission is to provide world-class education at affordable prices through our live online and self-paced learning programs. We are continuously bringing revolution by identifying the industry-relevant skill development courses that are in demand and can help professionals upskill professionally in a few months.
