ABOUT US

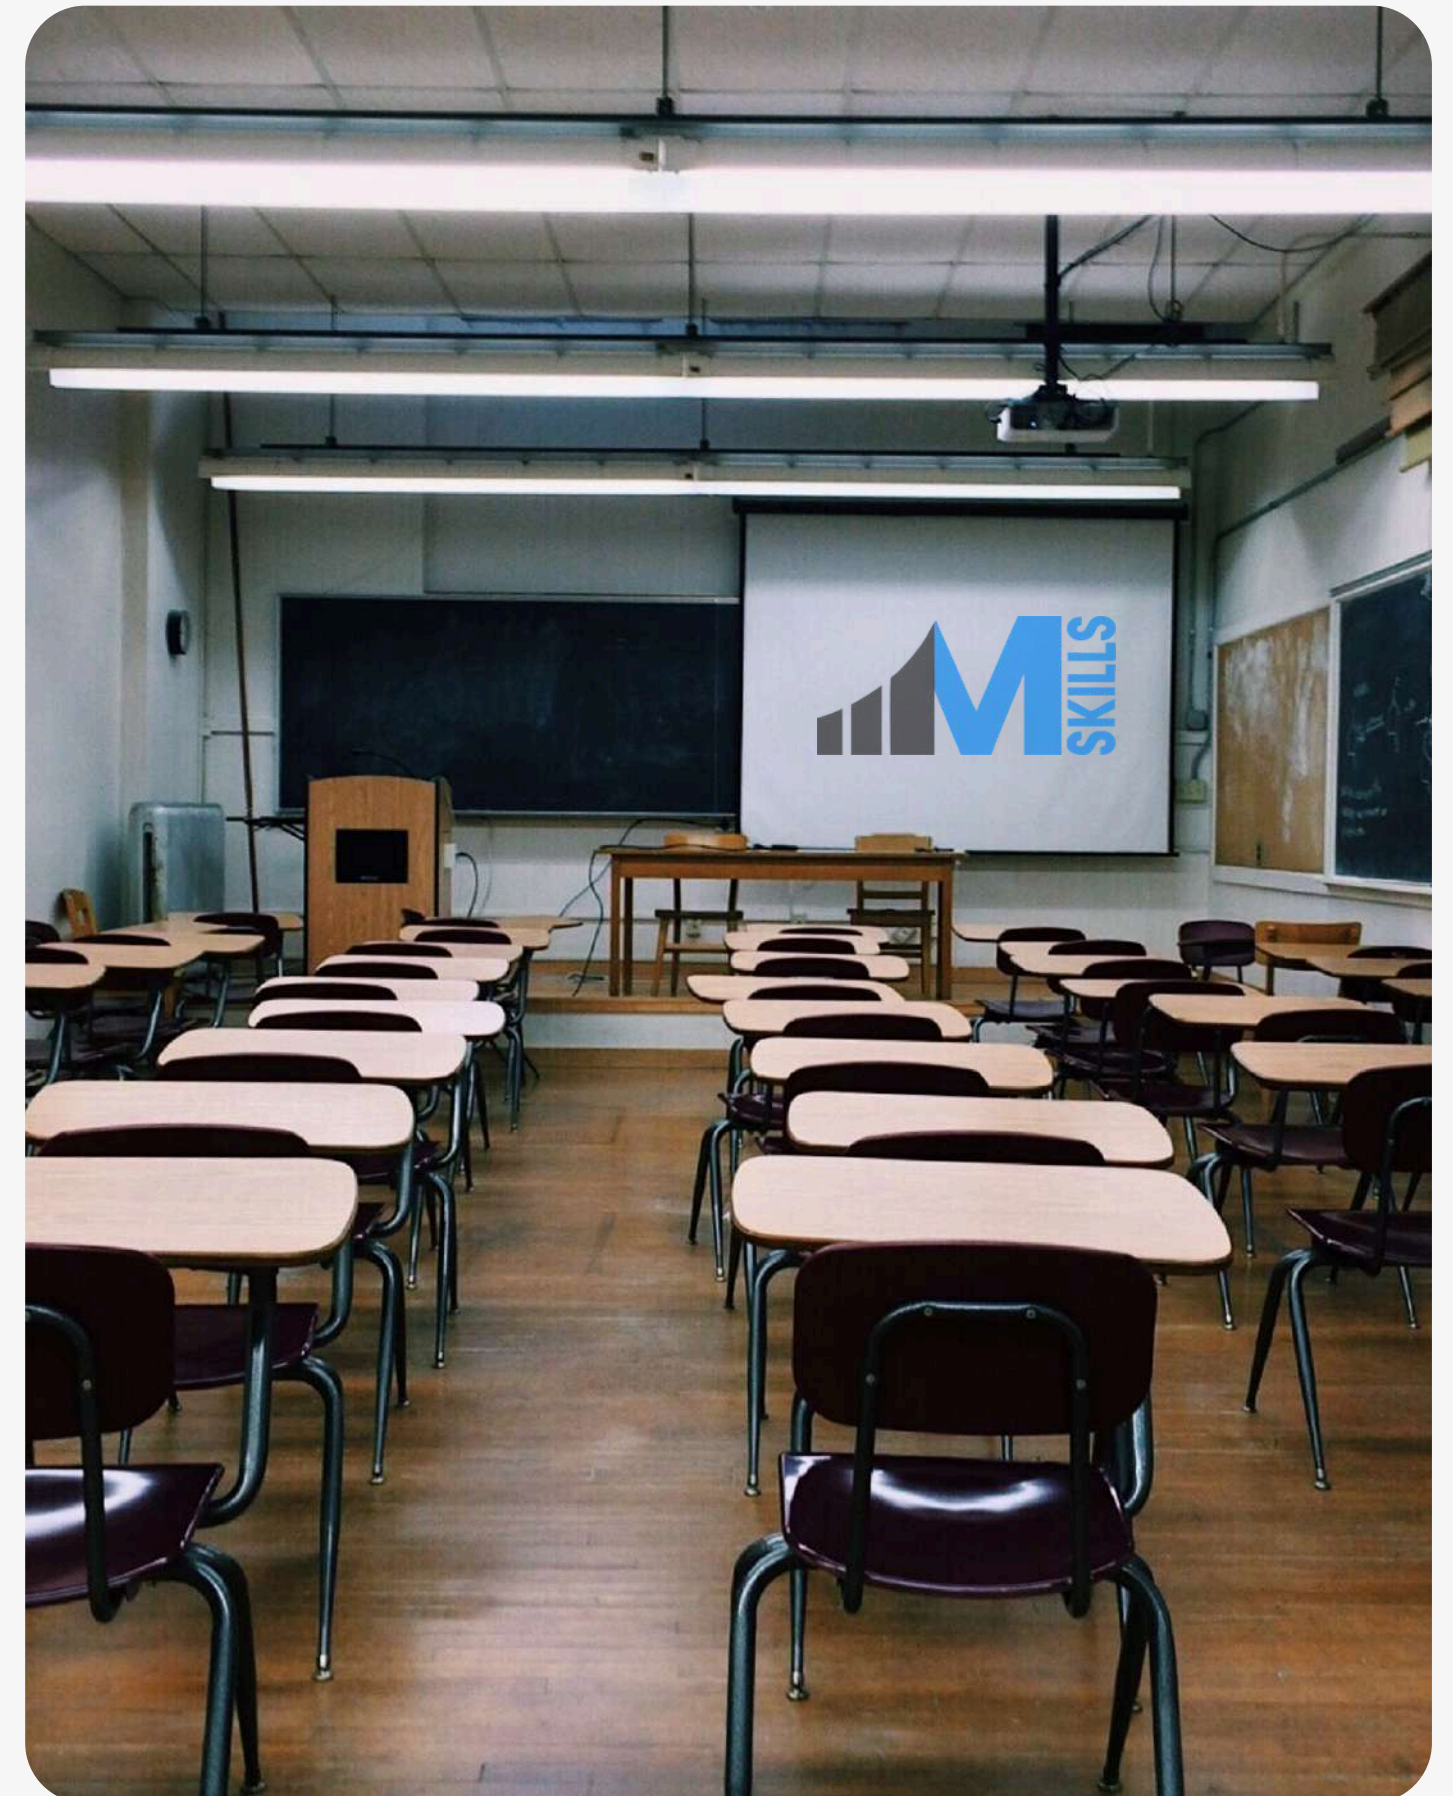

IIM SKILLS is the world's fastest-growing ed-tech company. Headquartered in New Delhi, India; IIM SKILLS has a presence in 23 cities in Asia including Dubai & Singapore catering to Finance, Marketing, Data, Content & multiple other educational domains.

OUR HISTORY

IIM SKILLS stemmed from the foundation of a successful educational blog. After reaching 1 million people digitally for career guidance, we decided to launch our first full-fledged training program. We started with the Content Writing Master Course which transformed the entire content education industry.

OUR MISSION

Our mission is to provide world-class education at affordable prices through our live online and self-paced learning programs. We are continuously bringing revolution by identifying the industry-relevant skill development courses that are in demand and can help professionals upskill professionally in a few months.

STUDENT TESTIMONIALS

Aditya Shankar

I was searching for the digital marketing courses in Delhi and I found IIM skills at the top results. What sets IIM SKILLS apart is their commitment to ensuring 100% placements for their students. It's rare to find an institution that prioritizes not just education but also career advancement. The experience in the classroom was beautiful, and learning in a fun way

Manisha Tejyan

The course curriculum at IIM SKILLS is comprehensive and up-to-date, covering every aspect of digital marketing with precision and depth. But it's not just about the lessons; it's about the real-world application. IIM SKILLS provides ample opportunities for hands-on learning, allowing us to put theory into practice. This is the best digital marketing course in Delhi.

Ashutosh Malviya

In a city bustling with options, IIM SKILLS stands out as a beacon of excellence and the best digital marketing course in Delhi. Trust me, if you're serious about digital marketing and securing your future, this is the place to be.

STUDENT TESTIMONIALS

Gaurav Panwar

IIM SKILLS is by far the best institute for developing your internet skills. The range of courses they offers starting from content writing course, digital marketing course and many other are very well structured. I am very satisfied about my decision of going with this institute. I beleive, people who aspire to boost their career or have one in the digital industry, must give this a try. I am very thankful to the instructors who very patiently helped me through every query I had.

Laxmi Vallury

The digital marketing course in Delhi at IIM SKILLS is comprehensive, engaging, and well-structured, making it easy for students to grasp complex concepts.

Sunil Roy

IIM SKILLS' offered me a well composed digital marketing course. The faculty and the placements are top notch.

STUDENT TESTIMONIALS

Devidutta

The Digital Marketing Course incorporates all the necessary modules that we require as digital marketers to create a compact and well planned digital strategy. I gained efficiency while doing the live projects. It was a great experience overall.

Khushi Panwar

The best DIGITAL MARKETING COURSE & CONTENT WRITING COURSE, available online, in my opinion. Faculty is from the industry itself, so that's a great advantage that there is no sugar coating of how things work. they give us the real information of the industry functioning.

Sudipta

One of the best, if not the best, Content Writing and Digital Marketing Institute in India. Glad to be a part of IIM Skills family.
