This Course Suits Best for

The best part about this course with certification is that members across career stages can take it up. Individuals will benefit from it irrespective of their current level of expertise, but primarily it will benefit:

Students and Fresh Graduates

Individuals with a degree (B.com/M.Com) in banking, finance, law, or accounting, seeking a career in taxation. Graduates from company secretaries and other streams can also take up the GST course

Professionals of the Accounting and Finance domains

Existing accounts professionals can update and upskill with the new tax reforms. Existing professionals aiming at a shift or switch of career from finance to the taxation domain.

CA/CS/CMA

Working professionals of the finance field such as CA/CS/CMA and even legal professionals dealing in taxation.

Business People

Business heads, Businessmen, CEO, CFO, Tax directors, finance directors, SMEs, traders, and income tax practitioners.

Start-Up

Individuals from the accounting field looking at starting their agency/consultancy to help clients file their GST.
